➢ The Principal or Dean of students will issue permanent driving permits to eligible students (with no record of skipping school or arriving late) when, in their judgement, the need for such permission is shown.
➢ A non-refundable fee of $35.00 will be charged for permanent driving permits. **(WAIVED for 2020-2021)**
➢ Driving regulations are outlined on pages 11-12 of the Student Handbook. Any student found in violation of regulations will face disciplinary action, including but not limited to suspension or revocation of the driving permit.

➢ Student drivers are expected to park in assigned parking spaces. There will be no exceptions to this rule.
➢ Student drivers will be dismissed after the school buses. Dismissal will be conducted in an orderly and safe manner.
➢ All student drivers must meet with an administrator at CCAP prior to driving privileges being extended.

Please explain why permission to drive to CCAP should be granted:

My child has my permission to drive to CCAP during the 2020-2021 school year. I have reviewed all of the information on the Permanent Parking Permit Application and on pages 11-12 of the Student Handbook with my child. If my child is found to be in violation of the rules and regulations that govern student driving at CCAP, I understand that my child will be subject to disciplinary action, including, but not limited to suspension or revocation of the permanent driving permit.
